
Application Number: K762591924

7 May 2025

Dear Mr. CHAO CHIEN-HUNG

**ADMISSION TO MASTER OF COMPUTING IN ARTIFICIAL INTELLIGENCE PROGRAMME
ACADEMIC YEAR 2025/2026, SEMESTER 1 (AUGUST 2025 INTAKE)**

It is a pleasure to inform you that you have been selected for admission to the **Master of Computing in Artificial Intelligence programme** offered by the National University of Singapore (NUS), School of Computing. Admission to this programme is on a competitive basis. Given the intensive competition for the limited number of places that we can offer, we would like to congratulate you on your achievements which provided you the competitive edge to gain admission to our programme.

We look forward to your acceptance of this offer, and believe that you will have an immensely enriching and rewarding academic experience at NUS.

If you have any queries with regard to this offer or our programme, please feel free to contact us at mcomp-ai@comp.nus.edu.sg, and we will be glad to assist you.

Congratulations on your acceptance!

Vivy SUHENDRA
Associate Professor and Assistant Dean
Graduate Studies' Office
NUS School of Computing

Important: Additional details are available in the following pages.

We would like to highlight the following to you before you accept this admission offer:

1.0 Master of Computing in Artificial Intelligence (MComp in AI) Programme Fee - Applicable to Academic Year (AY) 2025/2026, Semester 1 (August 2025 Intake)

- The MComp in AI programme is a self-funded graduate coursework programme, and the tuition fees will be payable on a per-programme (40 Units) basis according to the payment schedule below. The tuition fees for **AY2025/2026, Semester 1 (August 2025 Intake) admission is S\$56,000 (before prevailing GST)**. The tuition fees are subject to prevailing GST.

All Singaporeans and Permanent Residents enrolling into this programme will be automatically extended a 40% tuition fee rebate. International Students who are NUS alumni will receive a 20% rebate.

Students who are already in receipt of other full/partial scholarships or sponsorship support are not eligible for the tuition fee rebate. You are required to inform the School if you are receiving any full/partial scholarship or sponsorship support by completing this [online form](#) by 31 August 2025. After this deadline, please email to mcomp-ai@comp.nus.edu.sg. The University/School reserves the right to claw back any excess amount disbursed to you.

AY2025/2026, Semester 1 (August 2025 Intake) MComp in Artificial Intelligence Programme Fee (S\$)*				
	Before prevailing GST		Inclusive of 9% GST	
	Full-Time	Part-Time	Full-Time	Part-Time
Acceptance Fee	5,000	5,000	5,450	5,450
Semester 1	25,500	12,750	27,795	13,897.50
Semester 2	25,500	12,750	27,795	13,897.50
Semester 3		12,750		13,897.50
Semester 4		12,750		13,897.50
Total	56,000	56,000	61,040	61,040

*Tuition fees stated are subject to the prevailing GST and are before tuition fee rebate (if applicable).

- The above stated tuition fees allow students to enrol in up to 40 Units. Students who enrol in courses (including project/dissertation courses) beyond 40 Units for programme completion are subject to supplementary tuition fees. Please note that the tuition fee rebate does not apply to supplementary tuition fees.
 - Students are not allowed to enrol concurrently in another programme offered by NUS or another University.
 - Students who have fulfilled their degree requirements will be required to proceed with graduation and will not be allowed to stay on for an additional semester or more. More information can be found [here](#).
 - The tuition fees will be charged every semester according to the above payment schedule.
 - SkillsFuture (SSG) funding is not applicable to any courses in the MComp in AI programme.
 - All students are required to pay Miscellaneous Student Fees (MSF). The MSF payable per semester can be found [here](#).
 - University's Fee Payment Due Dates
 - Fees are payable according to the [University's fee payment schedule](#). Students are liable to pay for the semester's fees if withdrawal from the programme is submitted **after Week 2 of the semester**. **Fees paid for previous semester(s) will not be refunded.**
 - A late payment fee will be imposed if fees are paid after the fee payment due date.
 - Students who are allowed to complete the programme earlier than the above indicated payment schedule are required to pay the balance outstanding fees for subsequent semester(s). Tuition fees for the final semester may be adjusted depending on the courses enrolled.
 - All fees quoted here are in Singapore Dollars (S\$) and may be subject to change. The University reserves the right to alter the fees at any time without notice. Fees for subsequent years are under review.
- As admission to the programme is granted on a competitive basis due to limited places, candidates who wish to accept the admission offer will be required to pay a **non-refundable and non-transferable acceptance fee of S\$5,450 (inclusive of the prevailing GST)**.

3. Your candidature will commence on the first day of the **AY2025/2026, Semester 1 (11 August 2025)** or date of registration, whichever is later.

2.0 Acceptance of Admission Offer

To accept this admission offer, please complete the following **online by 15 May 2025 (Thursday), 11.59pm (Singapore Time)**:

Payment of Acceptance Fee	
Step 1	Login to the Graduate Admission System (GDA) using your email address and password. The GDA Applicant Guide can be found here .
Step 2	Click on the Application Number with the status "Offer Made" to view the admission offer. Important: Please download a copy of the Offer Letter from GDA as you will not be able to view the Offer Letter in GDA after the acceptance deadline.
Step 3	Click on [Admission Reply Form] to accept the admission offer. Please use the [Submit Payment] link to make payment for the acceptance fee. Please ensure that your admission status is reflected as " Offer Accepted ".
Submission of passport-size colour photograph	
Step 1	Please access the Online Photo Submission System here . The passport-size photograph submitted will be used for the printing of your NUS student card and must meet the NUS Photograph Submission Guidelines to avoid any delay in the printing of your NUS student card.

If we do not receive your online acceptance for the admission offer by the above stipulated deadline, i.e. 15 May 2025 (Thursday), 11.59pm (Singapore Time), this offer will be deemed as withdrawn. Should you decide to apply for admission to the programme again, you will be required to submit a new application with the necessary supporting documents.

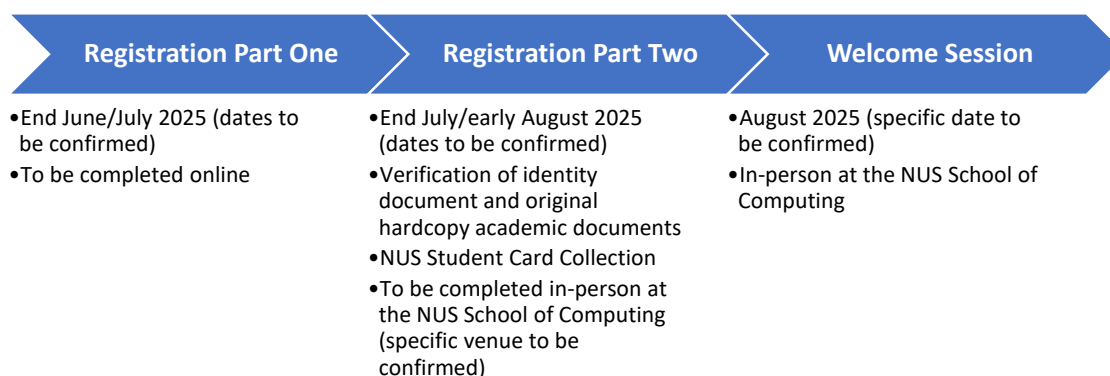

3.0 Admission Conditions

Admission to the programme is subject to you fulfilling the following conditions:

- Completion of at least a Bachelor's degree at the point of registration
- Completion of all registration formalities
- Completion of a mandatory NUS Pre-Admission Medical Examination
- The Immigration & Checkpoints Authority (ICA) Singapore has approved your Student's Pass (for full-time international students only)

4.0 Registration Formalities

All new students are required to complete Registration Part One and Registration Part Two before the semester commences on 11 August 2025.

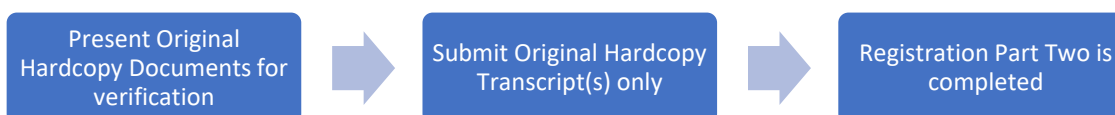

Please note that the University/School reserves the right to reject any candidate for registration to the programme upon failure to meet the admission conditions or produce the necessary documents. Any inaccurate or false information submitted by candidates will also render this offer invalid.

The following original hardcopy documents must be presented for verification during Registration Part Two:

Identity Document	Official Degree Certificate	Official Transcript
•Singapore Citizens and Singapore Permanent Residents: NRIC •International Students: •Passport <u>and</u> •Work Pass, Long-Term Visit Pass, Dependent's Pass and other Passes (if applicable)	•Of Bachelor's Degree •Of Master's/PhD Degree (if applicable) •Original hardcopy <u>and</u> •Certified English translated copy (if original is <u>not</u> in English)	•Of Bachelor's Degree •Of Master's/PhD Degree (if applicable) •Original hardcopy <u>and</u> •Certified English translated copy (if original is <u>not</u> in English)

- Photocopies and printouts of softcopy documents are not acceptable for verification.
- Please ensure that all original hardcopy academic documents are certified with University seal and/or Registrar's signature.

More information on the registration formalities, NUS Pre-Admission Medical Examination and Student's Pass application will be provided later to candidates who have accepted our admission offer.

The University shall be entitled to make and issue additional guidelines/requirements with respect to all our graduate programmes from time to time and to revise or amend such guidelines as it deems fit. All such guidelines shall be deemed to be part of the graduate programmes.

We look forward to seeing you on campus.

Best wishes,
Graduate Studies' Office
NUS School of Computing
