

UNIVERSITY OF TORONTO
SCHOOL OF GRADUATE STUDIES

**Letter of Acceptance
for Study Permit Application**

March 17, 2025

Chien-Hung Chao
3F No. 5 Aly. 3 Ln. 314 Minzu Rd.
Luzhou Dist.
New Taipei City 247002
Taiwan

Dear Chien-Hung Chao,

On behalf of the School of Graduate Studies, I am pleased to offer you admission to the following program of study:

Institution information

Institution:	University of Toronto School of Graduate Studies 63 St. George St., Toronto, ON M5S 2Z9 (416) 978-6614
Designated Learning Institution #:	O19332746152

Program information

Department/Centre/Institute:	Department of Computer Science
Degree Program:	Master of Science in Applied Computing
Program Begins:	September, 2025
Anticipated Graduation Date (full-time):	June 30, 2027
Status:	Full-time
Minimum Degree Fee:	\$68,130.00 (See note below)

Personal Information

Student Number:	1012339890
Date of Birth (Immigration purposes)	2000-10-14

Please ensure that the following condition(s) are satisfied with the graduate unit offering admission prior to the registration deadline, otherwise the offer may be withdrawn:

To authenticate self-reported grades, please ensure that the graduate department offering admission receives the official transcript(s) of your complete academic record, directly from the issuing institution(s), no later than August 31st.

Completion of the final year of your bachelor's program with an average of at least B+, and confirmation of degree conferred.*

* To clear the condition(s) identified with an asterisk (*), you must arrange for the issuing institution(s) to forward an official transcript of your final academic record to the graduate department to which you have been admitted.

To authenticate a self-reported GRE, the graduate department offering admission must receive an official result directly from the testing agency prior to registration.

Remarks:

Registration and fees information to follow.

For international applicants, conditional registration may be permitted.

Subject to approval by Governing Council, it is expected that full-time fees for the current year will be \$47,690.00, not including program-specific incidental and ancillary fees. This fee is subject to change. Students registered on a part-time basis will be charged part-time fees.[†] Tuition and other fees are reviewed by the University on an annual basis and published on the University of Toronto Student Accounts website (www.fees.utoronto.ca) in April (for programs starting in summer), and July (for programs starting in fall/winter). Your annual tuition fee invoice will be posted to your ACORN account at www.acorn.utoronto.ca shortly thereafter.

Note: The Minimum Degree Fee (MDF) is the amount of tuition a student would be charged for a 100% academic load over the duration of the program; it is predetermined by the published program length for the degree. All students must be charged at least the MDF for their degree, regardless of whether registration is full-time, part-time, extended full-time, etc. This amount is subject to change as it is based on the previous year's fees. Transferring to a program or field of study with a different program length, and/or changing legal status may impact the MDF.

Students who have been charged less than the MDF by the time of graduation are subject to a Balance of Degree Fee (BoD). The BoD is the difference between the total tuition charged at the time of graduation and the program's MDF. The value of the BoD can only be calculated and applied to a student's fees account once all program requirements have been completed. For more information about the Minimum Degree Fee and Balance of Degree Fee, consult the Graduate Fees section of the SGS website: www.sgs.utoronto.ca.

To prepare for your graduate experience at the University of Toronto, I invite you to explore the SGS

[†] International student fees include a compulsory health insurance (UHIP) premium estimated at \$756.00 for a single student with no dependents. We will confirm the actual premium for the coming year in the near future. If you have any questions regarding UHIP coverage, please contact:

University Health Insurance Plan Office
<https://www.studentlife.utoronto.ca/cie/uhip>
uhip.information@utoronto.ca
(416)-978-0290

Letter of Acceptance for Study Permit Application

GradHub (www.sgs.utoronto.ca/gradhub) in the months ahead. We are eager to welcome you to U of T's outstanding graduate community.

We strongly encourage you to apply for your study permit as soon as possible to avoid delays that may impact your ability to begin studies on time. Should you require further assistance, please contact the Centre for International Experience at isa.cie@utoronto.ca.

If you have any questions about your admission offer or life at the University of Toronto as you make your decision, don't hesitate to contact the Department of Computer Science.

I hope to see you in the fall!

Yours Sincerely,

Brian Desrosiers-Tam
Assistant Dean, School of Graduate Studies
E-mail: graduate.information@utoronto.ca
Website: <https://www.sgs.utoronto.ca>

E. & O.E.

Notice of Collection

Immigration, Refugees and Citizenship Canada (IRCC) may ask the University of Toronto to verify your letter of acceptance (LOA) and to provide information about you necessary to support the integrity of the study permit application process. By applying for a study permit to attend the University of Toronto, you authorize the University to validate information about you and your LOA with the IRCC. If you have any questions about how your data may be shared, please contact the [University Registrar's Office](#).

UNIVERSITY OF TORONTO
SCHOOL OF GRADUATE STUDIES

Confirmation / Deposit

Student Name: Chien-Hung Chao
Student Number: 1012339890
Department/Centre/Institute: Department of Computer Science
Degree: Master of Science in Applied Computing
Session: 2025 Fall
Program Begins: September, 2025
Date of Admission Offer: March 17, 2025
POSt Code (Office Use): CS MSAC

To secure your admission, you must: *Accept Your Offer of Admission*, and *Pay Your Deposit*.

To accept your offer of admission, you must sign, date and upload this form to your application status page on the SGS application system as the 'Admission Confirmation Form' within four weeks of the date of this offer letter. Your next step will be to pay your deposit by the date specified in the offer letter.

Please note that payment of the tuition deposit is not a substitute for formally accepting an offer of admission, you must also complete and return the 'Admission Confirmation Form'.

1. Your Admission Offer

a) Accept Your Offer of Admission:

I accept the offer of admission from the School of Graduate Studies, University of Toronto.

Signature

Date

SCHOOL OF GRADUATE STUDIES

Confirmation / Deposit

Student Name:	Chien-Hung Chao
Student Number:	1012339890
Department/Centre/Institute:	Department of Computer Science
Degree:	Master of Science in Applied Computing
Session:	2025 Fall
Program Begins:	September, 2025
Date of Admission Offer:	March 17, 2025
POST Code (Office Use):	CS MSAC

2. Pay Your Deposit:

Once you have confirmed your acceptance, the next step is to pay your deposit on ACORN.

A deposit of \$1,000.00 is due by April 14, 2025 to secure your offer of admission. We will cancel your offer of admission if we do not receive your deposit by the above deadline. Your deposit will be applied to your 1st term tuition. Your deposit is non-refundable.

Instructions for Paying your Deposit

Make an online MasterCard or Visa credit card payment by logging into your ACORN account at www.acorn.utoronto.ca using the JOINid credentials that were emailed to you when you completed your application.

If you have been offered admission to more than one program, be very careful to direct your payment to the program you confirmed (Confirmation Form uploaded) and want to undertake.

Important note about online payment: When you pay online, you will pay a convenience fee, which is a fee billed by the Moneris credit card service provider. This fee is non-refundable, even if you decide not to study at the University of Toronto. The convenience fee, charged at a rate of 2.5% of the fee payment, is billed directly by Moneris and is not remitted to the University of Toronto. Thank you for your attention to this.

Please note: It can take 2-3 business days upon receipt of the payment to record the deposit payment in your ACORN account. It is your responsibility to ensure that the deposit payment has been recorded in your ACORN account by the deadline.

Next Steps

To prepare for your graduate experience at the University of Toronto, we invite you to explore the *SGS GradHub* (www.sgs.utoronto.ca/gradhub) in the months ahead. Here's what you can expect:

- Find your bearings. The “Getting Started” page introduces you to life in Toronto and U of T’s many offerings across our tri-campus. It includes steps to activate your U of T accounts and platforms (UTORid, UTmail+, TCard, ACORN, Quercus), as well as key information about enrolment, registration, funding opportunities and more.
- Learn how SGS works with your graduate unit to help you manage your program.
- Get to know the resources, supports and services available to you.
- Discover ways to foster your community and make the most of your graduate experience at each point of your journey.

Keep an eye out for information about orientation! We hope to see you there.

Dear Chien-Hung Chao,

On behalf of the University of Toronto's graduate community, congratulations on your admissions offer! You are among the world's best and brightest, and it is our privilege to welcome you into our esteemed graduate cohort.

With over 80 graduate units (departments, centres, and institutes) offering approximately 300 graduate programs, the School of Graduate Studies is home to more than 20,000 graduate students on our three campuses. Within our institution's tremendous breadth and diversity, graduate units are small enough to provide you with a sense of belonging to a recognized community of scholars, colleagues, and associates. Collectively, we provide the supports you need, when you need them, so that you can thrive in your meaningful endeavours.

As a student at Canada's leading postsecondary research institution, you will benefit from world-class training, premier facilities, and connections to top scholars from around the world—an enriching combination that prepares you to thrive in a variety of careers. Here, you will foster your intellectual curiosity, engage with emerging knowledge, develop creative responses to problems, and learn to communicate your findings effectively. Our excellence in scholarship, innovation, equity and sustainability makes us the top-ranked university in Canada and the 12th in the world in graduate employability according to *Times Higher Education's* employability rankings.

Do not hesitate to contact the Department of Computer Science with any questions.

Once again, congratulations! I look forward to the opportunity to support you as you embark on your graduate career.

Warmest regards,

Joshua Barker
Dean, School of Graduate Studies and
Vice-Provost, Graduate Research and Education

Encl.
